

# Do you love the OUTDOORS and managing DATA?

Project Title	Do you love the OUTDOORS and managing DATA?
Project Summary	Do you love the outdoors and managing data?
Country	United States
Country/Region of Focus	United States

## Project Description

We are looking for a review and update of our recreation data throughout the Southwestern Region of the Forest Service. This data appears on our public facing websites and is then combined with Park Service, State and Local recreation activities on recreation.gov and other sites.

The end result will be reliable information for planning your hiking and camping adventures.

Who knew that data management went so well with the great outdoors?!
